# Special Stream in Cyber Security

## Call for Papers

The IEEE IDAACS (Intelligent Data Acquisition & Advanced Computing Systems) conference began in Ukraine in 2001. Since then it has regularly brought together scientists from the West and scientists from the former Soviet Union to discuss advanced research in Computer Science. This year the conference will be held September 24-26 in Warsaw Poland, and will feature a Special Stream in Cyber Security. The co-chairs of this Special Stream are:

Prof. George Markowsky  
University of Maine  
USA

and

Prof. Igor Kottenko  
St. Petersburg Institute for Informatics & Automation  
Russian Academy of Sciences  
Russia

Accepted papers will be published in the Conference Proceedings and will be available in IEEE Xplore, and be indexed by Scopus and DBLP. We expect the Conference Proceedings to be indexed by the Web of Science. Selected papers will be collected

for publication in international journals indexed by the Web of Science, the Engineering Index (Compendex) and Scopus. The deadline for submitting preliminary versions of papers is March 20, 2015. For more information about the conference and author's instructions please go to <http://idaacs.net/2015/>.

We look forward to welcoming you to the wonderful city of Warsaw in September.
